Toby brought so much joy and love to the lives of those that knew him for the 12 weeks and 5 days that he was here on earth.

August 24 marks the anniversary of Toby's death from SIDS. His family is honoring his memory by doing

**Random Acts of Kindness**

across the country from  
August 1 - 24.

Our goal is that #joyfortobystern is done, at least once, in all 50 states!

**Can you help us fulfill this wish?**

Please share your **RAOK** through social media using the hashtag #joyfortobystern & #thelittlefoxfoundation so that we can share with our followers
